Releana Diet Review Is It Effective Consumers Compare org

Releana is an advanced weight loss program made for patients that are in need of dramatic weight loss. The program itself can only be achieved with a doctor's prescription. Releana is an HCG diet, but unlike many HCG diets, there are no injections. The diet is said to be 100 percent safe and effective, as it pairs its specially formulated HCG drops with a restricted calorie diet, which in turn makes for dramatic weight loss.
