## **RELATED BOOK :**

### **Religions of the World by Lewis M Hopfe Goodreads**

The Best comparative religion book I have seen. I taught comparative religions and used this book for 12 years. Each edition got better. I reviewed many other books for the class but none of them was as good or better than Hopfe's.

### **Religions of the World Book published January 19 2018**

Religions of the World: The History of Hinduism examines the history and main tenets of Hinduism, explaining the way the religion has evolved over time, the similarities it shares with other religions and the differences that make it unique. Along the way, it clears up some of the common misconceptions about the religion, and it includes pictures of important figures and places that will help you learn about Hinduism like you never have before, in no time at all.

### **Religions of the World Google Books**

Religions of the World User Review - QuestaGirl - Christianbook.com. This book was ordered from Christianbook.com for two reasons: 1. because it was required as a textbook for my college studies, 2. because the price was significantly lower than the college offered. I have found it to be very informative and very well put together regarding subject matter.
