Inspirational fiction Wikipedia

Inspirational fiction is a sub-category within "inspirational literature," or "inspirational writing," defined in various ways in the United States and other nations. More and more bookstores (including online booksellers) and libraries consider inspirational fiction to be a separate genre, classifying and shelving books accordingly.

Reading Suggestions for Religious Fiction ArtsBeat

There are lots of American novels about religious people, still more about lapsed religious people, but notably few that contain scenes of actual religious worship, which after all is usually pretty boring to watch: its most dramatic effects are psychological and interior, thus hard to put into a narrative.
