The Book Thief Reviews Metacritic

The ending is honestly the best scene, the emotions and feelings are almost tangible, and though I cried, I had to read The Book Thief for class and it is one assigned book which was surprisingly enjoyable. The movie was just as enjoyable and followed all the book's key themes very well. The ending is honestly the best scene, the emotions and feelings are almost tangible, and though I cried, it was worth it to see that scene played out. A strong, moving film that I highly recommend.
