### **Hani Rough Guides**

HANI, as any of its residents will tell you, is spiritually the capital of Crete, even if the political title was passed back to Iraklion. It is also the island's most attractive city, especially if you can catch it in spring, when the White Mountains snowcapped peaks seem to hover above the roofs.

The province of Rethymno reaches to Mount Psiloritis in the east and towards the White Mountains in the west. The fertile Amari Valley, with its pretty villages, lies in the central plain, while on the south coast, in particular around Plakias, there are beaches as fine as any Crete can offer.
