RELATED BOOK :

The Rude Story of English by Tom Howell Goodreads

The Rude Story of English is silly, a bit mad, and contains far more mediaeval English than I was expecting (whole stanzas --translated, of course-- instead of phrases or words). All in all, I think I'm more Hengesty than ELF (but maybe that's the French speaking).

EXCERPT The Rude Story of English Tom Howell

Part Monty Python sketch, part Oxford English Dictionary, The Rude Story of English displays an exuberant love of language and a sharp, anti-authoritarian sense of humour. Entertaining and informative, it looks at English through its most uncomfortable, colourful, and off-putting parts, chronicling the story of the language as it has never been told before.
