### **CSE 101 Visitors Fall Semester 2018**

So woolly-horse-clubbing was seen to be the second main subject of the curriculum. And finally we drive away the saber-tooth tigers with fire, New-Fist went on in his thinking. We drive them from the mouths of our caves with fire. We drive them from our trails with burning branches. We wave firebrands to drive them from our drinking-hole. Always we have to drive them away, and always we drive them with fire.

Instead, it requires that students demonstrate that they have learned the required skills and content. However in practice, OBOE generally promotes curriculum and assessment based on constructivist methods and discourages traditional education approaches based on direct instruction of facts and straight forward methods.

**The Saber Tooth Curriculum by J Abner Peddiwell**

Not a fan. Some of the ideas are great, but the allegory gets a bit too thick for me. The educational element of our society needs to be revamped, but we need to leave it to those who can educate, not those that we think should or to those who can't.
