Samantha and the Cowboy All About Romance

Overall, Samantha and the Cowboy is a pleasant story, with its quick pace and very likable heroine. It doesn't have the emotional punch of Heath's regular romances, but is still quite enjoyable.

Samantha and the Cowboy Young Adult Historical Vault

Samantha is wearing a purple party dress that bears zero resemblance to anything anyone would have worn in 1866, and is sporting a frizzy red mullet-esque hairstyle, while the titular Cowboy is wearing a pristine white shirt, Wranglers, and is staring at her chest. Also, the price sticker on my copy says it cost seventy-six cents, which is probably about the correct price point for this piece of trash.
