Sandra Browns writing never fails to lure me into the story. With equal doses of suspense and mystery she also has the ability to weave in a certain level of sex appeal in way that creates anticipation and when the moments happen .

### **Chill Factor A Novel Amazon de Sandra Brown**

I find Sandra Brown's Chill Factor not only to be a very illuminating read, but to be very classy and masterly written as well. It comes with all the intrigues, suspense and rich characters that are indispensable for a good thriller and mystery story. The descriptions are very evocative, and like Triple Agent Double Cross, another thrilling novel I read, the setting also plays a very great contributive role in the mystery and suspense.

### **Chill Factor book by Sandra Brown ThriftBooks**

CHILL FACTOR is about a woman stuck in a blizzard with a man who may or may not have been the abductor of several other women in the past two years . . . there are numerous plot twists that had me guessing, and there's also a good amount of romance that added spice to the tale. Stephen Lang narrated . . . I've admired his work in the past and while he did a fine job with the male voices, he wasn't nearly as effective with his reading of the female passages.

### **CHILL FACTOR by Sandra Brown amazon com**

I used to read Sandra Brown all the time, but when I was still reading her she was still writing predominantly romances. I'm glad to see I'm not the only one who has since evolved in my choice of topics because if Chill Factor is any indication, she has evolved a sharp edge to her romance and I'm all for it. This was exceptional.
