Scandinavian Mythology by Hilda Roderick Ellis Davidson

This book is different than your usual "Myths of the Vikings" sort of compilation because it approaches the the mythology from an archeological point of view, rather than an anecdotal one.

Scandinavian Mythology Library of the World's Myths and

Additionally, be advised, this work was published in 1996, under the title, "Viking & Norse Mythology". Don't do what I did and buy them both on the internet and discover that you have spent twice the money for the same book, although I will grant that some of the photos were different or at least arranged differently.
