Scarcity Why Having Too Little Means So Much by Sendhil

This extremely important book takes a close and counter-intuitive look at how the brain behaves when confronted with the lack of something. That something is often money, but it can also be time, or will power, or human connection.

Scarcity Why Having Too Little Means So Much Amazon de

one of my favourite reads in 2013. the emotion of scarcity clouds our judgment in more ways than we can express. if you ever wonder why the heck you are unable to get out of debt, why you can't find a good job (or become self employed) or why you just can't seem to get the partner in life that you want, this book might have some of the answers
