School of Fear School of Fear 1 by Gitty Daneshvari

The cover and name of School of Fear, by Gitty Daneshvari, makes the book look scary and serious. But before I was finished with the first page I knew it was a carefree, silly book. There is a wide range of characters from the normal, sports loving Garrison Feldman to the odd, brainiac Madeleine Masterson.

"The book 'School of Fear' by Gitty Daneshvari is an outstanding book about how kids overcome their phobias. Madeline Materson, Theodore Barthlomew, Lulu Punalower and Garrison Feldman are all terrified of something. That's why this summer was especially petrifying for them when they are forced to go to the School of Fear for six weeks. Yet, they manage to survive the experience with the help of Macaroni the dog, batty but smart Mrs. Wellington and Schmidty.
