Popular Scottish History Books Goodreads

She was convinced the country was about to succumb to revolutionary socialism. Her own circumstances encouraged this belief: just on the edge of the really rich country set, she shared their views and opinions but lacked the financial and architectural insulation from real or imagined political troubles.

Scottish History Books in Scotland

Scottish History Few countries have a more varied or romantic history than Scotland. A country that the Romans failed to subdue, that has been populated with inhabitants that include Picts, Scots and Vikings, that fought to reassert its independence in the face of many invasion attempts by southern neighbours, and whose line of kings would eventually inherit the English throne.
