### **Sea Power A Naval History Second Edition Amazon de E**

A history of Sea Power by Stevens and Westcott who were both professors at US Naval Academy can be a better alternative if you are not so much interested in history of naval warfare in the age of Naval Aviation. If you are serious about learning the principles of naval warfare as well as history of naval warfae, I recommend A history of Naval Tactical Thought by Giuseppe Fioravano, also published by Naval Institute but out of print now.

### **Sea Power A Naval History by E B Potter**

I found a copy of it at a thrift store for 98 cents, so naturally I had to buy it. It covers the history of naval warfare from earliest times (galley warfare) through the Cold War. As a student of military history, I devoured every page back then, and it is nostalgic going through it now .

### **The Struggle for Sea Power A Naval History of American**

In The Struggle for Sea Power, Sam Willis traces every key military event in the path to American Independence from a naval perspective and he also brings this important viewpoint to bear on economic, political and social developments that were fundamental to the success of the Revolution. In doing so Willis offers valuable new insights to American, British, French, Spanish, Dutch and Russian history.
