The Second Book of the Tao free PDF DJVU EPUB RTF

The Second Book of the Tao is a gift to contemporary readers, granting us access to our own fundamental wisdom. Mitchell's meditations and risky reimagining of the original texts are brilliant and liberating, not least because they keep catching us off-guard, opening up the heavens where before we saw a roof. He makes the ancient teachings at once modern, relevant, and timeless.

The Second Book of the Tao by Stephen Mitchell 2009 02 19

The Tao has awareness of nature and is nature, yet our words are not itthey are just pointers. An excerpt from page 110: What people love about life is its miraculous beauty; what they hate about death is the loss and decay around it. Yet losing is not losing, and decay turns into beauty, as beauty turns back into decay. We are breathed in, breathed out. Therefore all you need is to understand the one breath that makes up the world.
