The Secret History of Procopius Index

Procopius, who also wrote a mainstream military history and a toadying description of the monuments which Justinian built, had to keep his most acute writing for posthumous publication. This text flays Justinian and Theodora as corrupt, immoral, and just plain evil. Even though the account sounds fantastic, it is considered genuine by modern historians (but not necessarily accurate). Of course, the Eastern Orthodox Church considers Justinian a saint, so you'll either love or hate this book.

The Secret History by Procopius Goodreads

The Secret History is his story of how things really were in the dark heart of the Byzantine Empire, meant to be published only after his deat Procopius wrote a book. Once the official court historian of the emperor and an important member of the Byzantine Imperial court, Procopius wrote the History of the Wars of Justinian and worked on his great chronicles for decades.
