Unlimited Religion Book The Secret Language Of Dogs

I definitely recommend this book to other dog lovers. It really brings home the point that we don't speak the same language as our dogs and something that to people may seem harmless or even affectionate (like a hug) can be interpreted very differently by dogs (for example as an aggressive message that they respond to submissively).

The Secret Language of Dogs a book review Live Wonderstruck

The Secret Language of Dogs is a non-fiction look at the behavior of dogs. Stillwell presents the psychology of dogs body language and actions in a way that is easy to understand. She answers whether dogs feel love, guilt, and a slew of other human emotions. She advocates for positive training rather than punitive training.
