Eric Thomas Speech Secrets to Success

I think you're talking about Eric Thomas, I'm not him and this isn't his site. I think what he means when he or anyone says to give 120%, is to give it your all. It's hard to give 100% because there is almost always a little bit more you could've done. Perhaps the reason to aim for 120% even though it's not logically possible is that if you aim for more than 100%, you'll get closer to 100% rather than aim for 100% and only get to 90%.

The Secret to Success by Eric Thomas Goodreads

Eric Thomas' The Secret to Success was recommended to me by a friend, and I'm glad I stopped to read this inspiring book. Thomas did a great job weaving in elements of his personal story to remind you he's more like you than not and assure you the principles were derived from real-life experiences not theories.
