Amazon com Customer reviews Sed and Awk Pocket

It seems very little effort was exerted in writing this "Sed and Awk" Pocket Reference. Since I was so happy with my other pocket references - I had high expectations and did not bother to read the product description that this 'book' is less than 50 pages. It is about 1/8 inch or 4mm thick - it is more like a pamphlet. So, I can't recommend this book.
