The Sins of the Mother by Danielle Steel Goodreads

I used to LOVE Danielle Steel books- my go to for guilty pleasure reading back in the 90s! I don't know if my taste/ standard for fiction has improved or the quality of DS's books have declined- drastically. I still keep picking up and reading her books hoping that this next book just might do her earlier works justice. But every time recently, they have disappointed.

The Sins of the Mother by Danielle Steel

The Sins of the Mother captures the many sides of family love: complex, challenging, funny, passionate, and hopefully enduring. Along the way, we are enthralled by an unforgettable heroine, a mother strong enough to take more than her fair share of the blame, wise enough to respect her children for who they really are, and forgiving enough to love them unconditionally.
