Siren 2015 MyDramaList

In Siren, its completely reversed-its BECAUSE of the interest the villain (Kara Tachibana) takes in Yuki that the cat-and-mouse game begins. And boy what a game it is! But don't take anything at face-value because the ending will leave you scratching your head and surprised at where all of the twists lead you!

Siren Japanese Drama AsianWiki

Izu Dec 19 2015 3:14 pm The drama was AWESOME. This is the best watch in last season of 2015, trust me. You'll be curious with the early storyline, fed up in the middle for Kara's lies, and finally desperately shocked with the last eps.
