Skinwalkers is the seventh crime fiction novel in the Joe Leaphorn / Jim Chee Navajo Tribal Police series by author Tony Hillerman published in 1986. Skinwalkers was adapted for television for the PBS Mystery! series in 2002. Murders are happening all over the huge reservation, and Lt. Leaphorn can see no pattern. Tony Hillerman created an entire genre with these novels. Though they've been copied, no one has ever quite blended Native American beliefs and traditions, with modern day mystery in the same entertaining way at which Hillerman was so skilled.
