### **Skylanders The Machine of Doom eBook Activision**

According to my son, the avid reader, this book is totally awesome. All things Skylanders Universe are generally a go at our house. This book is no exception. For discerning parents, my son is particularly sensitive to scary and gory material. He did not find any content in this book to be especially unsettling.

### **Skylanders Wikipedia**

Skylanders is a toys-to-life action video game series published by Activision. A spin-off of the Spyro series, Skylanders games are played by placing character figures called the Skylanders on the "Portal of Power," a device that reads the figures' tags through NFC and "imports" the character represented by the figure into the game as a playable character.
