### **Considerations for a Beginning Organic Farmer**

If all your reasons for organic farming involve helping others before yourself or if your goal is only to grow enough food for your family, you're likely interested in a hobby farm or small family farming or even simply organic gardening, not business farming. On the flip side, if your goal is to make profits, then you're likely on board with farming as a business.

### **How to Start a Small Farm The Spruce**

A small farm can range from a half-acre with a few laying hens and a small veggie garden, to 40 acres with cattle, dairy cows, sheep, goats, chickens, pigs, and acres of field crops and veggies. Some of your choices will be limited by your land and resources, but we'll get to that later.
