### **George Ritzer Wikipedia**

George Ritzer (born October 14, 1940) is an American sociologist, professor, and author who studies globalization, metatheory, patterns of consumption, and modern and postmodern social theory. His most notable contribution to date is his concept of McDonaldization, which draws upon Max Weber's idea of rationalization through the lens of the fast food industry.

### **Sociological Theory by George Ritzer**

As a student of sociology, I have to say that this is a practical textbook, yet lacking in many aspects. Ritzer tends to simplify some very important aspects of many theories. On the other side, he often pays much attention to less important aspects of grand theories.
