PDF Sociology A Brief Introduction 10th Edition Download

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

Introduction to Sociology Ebooks for all Free ebooks

Sociology is the study of human social life. Human social life is complex and encompasses many facets of the human experience. Because of the complexity, the discipline of sociology subdivided over time into specialty areas. The first section of this book covers the foundations of sociology, including an introduction to the discipline, the methods of study, and some of the dominant theoretical perspectives. The remaining chapters focus on the different areas of study in sociology.
