Spaghetti in a Hot Dog Bun Having the Courage To Be Who

Spaghetti in a Hot Dog Bun uses an endearing little girl to teach a powerful lesson. She is bullied for being different but when she has the chance to bully someone back she remembers that everyone has a heart. This book is for children age five and up. It is very realistic because everyone has qualities that make them different from others and sometimes that results in being bullied. I think all children can connect with this book because it will teach them to embrace being different.
