## **RELATED BOOK :**

### **Square D Wikipedia**

Introduced in 1955, the Square D "QO" line of miniature 3/4-inch circuit breakers may be their best-known product line, used in the electrical distribution boards of many residences in North America. The "QO" designation stands for "Qwik-Open"; Square D claims these are the fastest-opening breakers in the industry, responding within 1/60th of a second, or just one full power cycle on a 60 Hz AC line.
