Stacked Enchilada Recipe Taste of Home

This is my go to enchilada recipe. Been making this for years. The only difference is that I also add a can of Fiesta corn. Since I want/need leftovers (the leftovers are actually better as everything melds), I double everything and use a 9 x 13 pan. Yes, I just tear the tortillas to fit the pan. I also use extra salsa because I don't want a dry stack.

We enjoyed it, leftovers are great, too. I didn't have a deep pie plate so I used a 9x9 Pyrex dish. I didn't have enchilada sauce so I made some with 8 ounces of tomato sauce, 2 ounces of salsa and 1 tbl of taco seasoning, whipped it together. You can never go wrong with a little extra cheese.

Crock Pot Stacked Enchiladas Recipe Genius Kitchen

I got this recipe from JAndS Old Time Recipes. I prefer the real enchiladas I make in the oven, but these are really tasty! Great for a busy or hot day, when you don't want to use the oven. My family really enjoys these! Prep time is approximate and does not include cooking the meat.

My husband made a bachelor's version of this when we were dating in college. I've since added some healthier stuff to the mix. It's a favorite with the kids because they can choose what they want in their "stack" and it's a great alternative to eating out since it's so fast.
