Stardust novel Wikipedia

Stardust is a novel by British writer Neil Gaiman, usually published with illustrations by Charles Vess. Stardust has a different tone and style from most of Gaiman's prose fiction, being consciously written in the tradition of pre-Tolkien English fantasy, following in the footsteps of authors such as Lord Dunsany and Hope Mirrlees.

Stardust Stardust Book vs Movie showing 1 50 of 90

Never happens. In the book there is a metaphorical moment between the witch and the star that makes the book, but they took it out. The witch in the book isn't just straight bad but ambiguous and I enjoyed the relationship with the boy and the star more, the whole symbolism of the characters.
