Planning and Planting a Vegetable Garden The Spruce

A vegetable garden requires regular maintenance. Vegetables won't wait until it's convenient for you to water them, stake them or harvest them. Some tasks, like staking and mulching, can be done early in the season. Others, like watering, will be ongoing. The last thing you want to do is go through all this work starting your garden and then see your vegetables going to waste.

Starting a Vegetable Garden The Spruce

Designing a vegetable garden is more about which vegetables grow well near each other, than about how things look. Some vegetables will excrete substances that can inhibit other plants' growth. Tall vegetables can shade out shorter vegetables. Vegetables in the same family will attract the same pests and need to be moved around each year.
