### **Statistics for People Who Think They Hate Statistics**

Young research students make no apologies when they report they are afraid of statistics. Salkind's text disarms many of the fears with the title and the humorous dialogue, the use of emoticons, and cartoons throughout the text. The plain no-nonsense, step-by-step instruction helps today's student who already struggles with attention span. Now, students possess a resource that they can revisit in their home or dorm room.
