What are the Steps in Creating an Online Business

Step 6-Design a website: It is now time to design your website. Always remember that the website is often considered as a reflection of the business, and hence, it needs to be relevant, precise, attractive, and convenient to use. You don't need to be an expert in web designing and content writing, all you need to do is hire the right kind of people to do that job for you. Your customers should be able to complete the online shopping process in 2 - 3 clicks.
