Act Like a Lady Think Like a Man What Men Really Think

This is Steve Harvey's take on men, not necessarily all men or even close to it. I like Steve Harvey, especially his book on 'Act Like a Success' so I thought I try this one. Hmm. Well. What a mistake. He seems to think he knows what all men want. Well I am a man and I want much different things. I think Steve is trying to be honest but he is giving his take on how he is with women and what he wants. I think his book includes a certain percentage of men, maybe 20-30%, maybe more. Who knows.

Act Like a Lady Think Like a Man What Men Really Think

Ok so, I definitely have mixed feelings about this book. On one hand, I admire the fact that Steve Harvey gives it to you straight and without a TRACE of subtlety (or sugar-coating if you will), the reasons why the majority of men ARE the way they are, and why we, as women, are unknowingly encouraging them to continue bad habits.
