The book may be a bit dense but it is rewarding for those who are willing to finish it. 14. Fooled by Randomness  
Author: Nassim Taleb. This book, which would go along well with The Black Swan, explains the author's thoughts about how randomness plays a larger role in our lives than we expect. For traders, this would imply that risks are usually larger than we expect. Also, it would mean that some things in the financial world aren't exactly what they seem.
