

## STORM TESTAMENT

## RELATED BOOK :

### **The Storm Testament by Lee Nelson Goodreads**

Of all the Old West books that I have ever read, the Storm Testament Series by Lee Nelson was by far my favorite. I loved this book, a descriptive 320 page story of how a young man became a mountain man, a hunter, and an indian in his lifetime. This young man braved savage natives, colossal bears, and the most extreme of conditions.
