### **Summary and reviews of The Story of Beautiful Girl by**

Story of Beautiful girl I had only read to page 11 when I had the feeling that this book was going to be something special and quite possibly one of the best books I have read this year. So it was. **The Story of Beautiful Girl by Rachel Simon Paperback**

The tale is well-written and unique, but at times I found myself losing interest when it strayed too much into Homan's story. I was also disappointed that there was not more focus for Beautiful Girl on finding the child she lost and creating a lasting bond. Other readers may find The Story of Beautiful Girl more engaging.
