The Story of Christianity Volume 2 The Reformation to

Gonzalez keeps this global perspective in mind in his two volume narrative history, 'The Story of Christianity'. Gonzalez' presentation of the Reformation period concentrates on significant people, primarily Martin Luther, Ulrich Zwingli, and John Calvin, bringing in other people as appropriate (Tetzel, various popes, etc.).

The Story of Christianity The Early Church to the Present

"The Story of Christianity" is well written and it keeps one's attention. I did feel, however, that his section on the twentieth century was a bit opinionated, but that was just a feeling. I couldn't quite put my finger on it. It was almost as if his writing style changed. All in all a good introductory book on church history.
