The Jesus Storybook Bible

The Jesus Storybook Bible: Every Story Whispers His Name disproves the adage that you can't judge a book by its cover. Jago's award-winning cover art is a foretaste of the whimsically insightful and richly colored drawings that await you on every one of the book's 351 pages. The illustrations alone are worth the price of the book.

The Story for Children A Storybook Bible Amazon de Max

My 2-year-old grandson was bored with the 40-year-old children's bible storybook I'd used for my own kids (stories too long, pictures too sophisticated). This one is sooo much better. Lucado tells the story in language he understands (he's 3 now) and he stares at every picture with terrific interest. I can see him loving this book for many years whether I'm reading it to him or he reads it for himself. Certainly up to at least 10 year-olds.
