How Your Unconscious Mind Rules Your Behavior SUBLIMINAL

The conscious and the subconscious mind. This is because both the reptilian and mammalian brain have no concept of time or what is real or imagined and work mostly on automatic. The term subliminal refers to the line between the consciousness mind and the subconscious mind. Where things may penetrate the subconscious mind but below the threshold of conscious perception.

Subliminal How Your Unconscious Mind Rules Your Behavior

This book breaks down how your unconscious (along with how it affects your conscious) mind works and relates it to everyday situations so that you may easily understand and grasp the concepts. Think of it as the book version of the show, *Bill Nye the Science Guy* (for those of you who are young/old enough to have watched it as a kid) – it's funny and laid-back all while being EXTREMELY informative.
