Suck It Up by Brian Meehl Paperback Barnes Noble

So read Suck It Up, it will suck you in. KnightRider: More than 1 year ago : This book was definitely different than the other gushy vampire romance books out there. For that reason I liked it. However, it seemed like there weren't enough characters in this book even though the main ones in it (which were really the only ones) still kept me intrigued and reading. I think it would have been a
