Wilderness Survival Guide modern and primitive skills

I created this wilderness survival guide out of a deep passion for wilderness survival, and from a deep love for the Earth. I have to admit it, I LOVE wilderness survival. I first began learning wilderness survival out of a deep, primal need to feel in my bones that I could provide for my most basic human needs directly from nature.

Survival is your first priority, but don't forget- you need to get rescued as well. Come up with an action plan in case a plane flies overhead or there are search parties nearby. You've seen it in the movies prepare a giant, easily visible fire pit out in the open or lay out stones in the pattern of HELP or S.O.S. You can also use any shiny, metallic object for reflection purposes.
