Take Back Your Marriage Sticking Together in a World That

Opening to the table of contents reveals that Take Back Your Marriage has no chapters on communication skills or conflict resolution and none devoted to finances or sex. Instead William Doherty, a practicing therapist, professor and director of the University of Minnesota's Marriage and Family Therapy Program, focuses on overarching issues: commitment, building an intentional marriage and community connectivity.

Take Back Your Marriage Sticking Together in a World That

Take Back your Marriage Doherty presents a useful perspective that analyzes how our consumerist society exerts pressures that pull people apart in a marriage. Marriage has changed over the decades, and our expectations today are very different than the expectations that couples brought to their marriages in our parents' generation.
