Take Burn or Destroy Charles Hayden 3 by S Thomas

Take, Burn or Destroy is my first S. Thomas Russell novel. I did not realize that this book is third or fourth (depends on whose reviews I read) in a series when I chose to read it. With that said, I did not feel as though I jumped into the tale in the middle or that I really needed to have read the initial books to enjoy this one. Having no background of Captain Hayden, I feel this book makes a fine stand alone novel.
