A Tap on the Window A Thriller Paperback amazon com

Having said that, I found A Tap on the Window to be by far his worst effort. The writing is fine, but the plot is much less interesting than usual, and there's no humor at all. In fact, the book is dark in a way that left me surprisingly discouraged at the end. With luck, Barclay will return to his old ways and leave private investigator Cal Weaver as a one off never to be heard from again.
