Thank You God A Lift the Flap Book From Kids Around the

Having said all of that, this book draws children in and towards the end of the book, my daughter very sincerely looked up at me and said, "I said thank you to God once too, mommy." So that was sweet and I could tell that the MESSAGE of the book (gratefulness to God) had definitely come through and ministered to her little heart. There is value in simply hearing, "Thank you, God" over and over.
