### **20 Something Manifesto Quarter Lifers Speak Out About Who**

20 Something, 20 Everything is less than 10 years old, but is extremely dated due to the current state of the economy and how Hassler discusses the work force. Additionally, this book isn't really geared towards all 20 something women.

### **Review of 20 Something Manifesto 9781577315957**

In 20 Something Manifesto\*, Hassler explores the different issues that people in their twenties face, such as career uncertainty, relationship challenges, and identity anxiety, all of which may result in what she calls an Expectation Hangover. She defines an Expectation Hangover as that feeling of disappointment and bewilderment that descends when circumstances, emotions, and relationships fail to follow an expected path.
