The American Civil War (1861-1865) was a civil war in the United States of America. Eleven Southern slave states declared their secession from the United States and formed the Confederate States of America, also known as "the Confederacy". Led by Jefferson Davis, the Confederacy fought for its independence from the United States.

The Civil War American Heritage Books Amazon de Bruce

This is a great book to read if you are just beginning to learn about the Civil War. Catton, best known for his biography on Abraham Lincoln, gives an understandable basic summary of why the war started, how it progressed, and how it ended. I wish it would have gone into more detail about the strategy used, but otherwise well done.

Books The Civil War U S National Park Service

In a war that freed enslaved African Americans, most Indian people fought to stay free in a land once theirs alone. A crucial part of the Civil War story is that more than 20,000 American Indians fought on both sides of the conflict. Many who fought thought they'd be able to protect their lands, instead, federal Indian policy became more perverse during the war, eventually leading to Westward expansion and the devastation of Native peoples.
