

[THE ANTHROPOLOGY OF LANGUAGE](#)

RELATED BOOK :

The Anthropology of Language American Anthropologist

For the inaugural virtual issue of AA, editor Tom Boellstorff created "The Anthropology of Language". The broad theme allows readers to track ways in which language has been central to anthropological inquiry from its beginnings but in differing ways over the years and with differing linkages to other domains of anthropological scholarship.

Linguistic anthropology Wikipedia

Contemporary linguistic anthropology continues research in all three of the paradigms described above: documentation of languages, study of language through context, and study of identity through linguistic means. The third paradigm, the study of anthropological issues, is a particularly rich area of study for current linguistic

anthropologists.
