The Art of War Illustrated Original Copy as Taught at

I read this as part of my War Studies course way back in 1979. Now have my own copy. It's a bit more practical than Clausewitz, in other words it deals more with the conduct of war than the theory. This makes it seem a little more dated than Clausewitz, but only if you believe the Clausewitzian theory, which is very much based on 'war by the nation-state'. Jomini is the book for the Napoleonic wargamer! Or the student of Napoleonic military strategy and tactics.
